- 4/20: Sunrise Service
- 4/21: K-12 Student Holiday  
EC/Preschool Open
- 4/22: School-age Classes resume

## CCA is headed for ISC

### Can you help?

Each year Accelerated Christian Education (ACE) hosts an International Student Convention (ISC) on a major U.S. university campus. Christian school students worldwide qualify for competition in their regional conventions. ISC events include the categories of music, oratory, art, athletics, academics, and numerous service. This premier event is the highlight of the school year for thousands of schools and homeschools worldwide. This year, CCA Students have qualified to compete at the 2025 ISC at the Ball State University (BSU) in Muncie, IN and they are looking for sponsors for the trip.

The estimated cost, including transportation, meals, lodging, and registration for ISC is \$1,200.00 per person. Please consider sponsoring in this event. You can donate online at <https://www.covenantcommunityschools.org/donate>. All donations are fully tax-deductible. For more information, reach out to [Pastor Wright](#). Thank you!

### The New Website is Up!

The new website is up and working. There are some future features coming including a parent portal, a virtual tour, and scheduler for campus visits. We are also continuing to upgrade electives for high school students, and STEM courses for the younger grades. All of that will be available soon!

For now, the best tool is the [Application for Enrollment](#) form. We strongly encourage you to head on over and complete your re-enrollment application for 2025-2026.

If you have children ages 5 to 13 and need a great camp for this summer, [Camp Adventure](#) still has a few spaces left. That is if you haven't already signed up. Click the Sign Up link on the right or go to <https://covenantcommunityschools.org/camp-adventure/> to enroll.

### Accreditation News

In addition to the accreditations appearing at the bottom of the page, Covenant Community Schools is a member of the Texas Private School Association, an advocacy organization that watchdogs the state's school legislation initiatives. Here is the latest on the 89th Legislature and HB3: [TPSA March 27 Update](#) or type the following URL into your browser: <https://mailchi.mp/texasprivateschools/tpsa-update-november-7-14153715?e=f94dc5c697>.

### Easter Sunrise Service

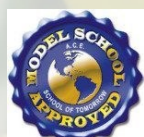

Our Easter Sunrise Service will be at Jim Hogg Park, Lake Georgetown. Join us Sunday, April 20, at 7:00 AM for this memorable event. We will be serving breakfast afterward. [RSVP Here](#).

### Achievement Tests Two-year Cycle

For many years, we have administered achievement tests on an annual basis. These tests, while providing useful information on student growth, take three days of instructional hours to administer them. Therefore, this year we will begin a two-year off-on cycle of administering achievement tests. Since PSAT and SAT were scheduled in 2024-2025, achievement tests will be scheduled in 2026-2027.
